JURY ACCUSES BROWER, 17

Youth Held For Confessed Murder Faces Initial Hearing In Juvenile Court

A coroner's jury on Wednesday night found that Frank Ernst came to his death "from gunshot wounds at the hands of one Frederick William Brower inflicted with murderous intent."

On the jury were Charles Bloom, foreman, and Kenneth McCuistion, Ed. Sheppard, M. Buhlman, Wesley Stone, T. H. Gerle, M. E. Blair, Grant Lauman, W. E. Lowe, Adam Marchini and John Mueller.

Frederick W. Brower, held at the county jail for the confessed murder June 29 of Frank Ernst, prospector, near Cock Robin Point on the Middle Fork of the American River, will be eighteen years old on January 21, 1939.

This is according to word received by District Attorney Henry S. Lyon from officials at Mina, Nevada, his birthplace.

In view of this circumstance, Brower will be called to an accounting for his confessed act in the Juvenile court and the matter may, then, be transferred to the Superior Court.

With his age established at seventeen years, it would appear that Brower, if he is found guilty of the crime to which he had confessed, has escaped the death penalty.

Other developments in the case during the week included the arrival of the youth's mother, Mrs. Maude Godshall, from Nogales, Arizona. Mrs. Godshall arrived in Placerville the fore part of the week and was without means for support and is being quartered at the county hospital.

GOUGES OUT EYE—Mrs. Ola Harwell, 26, wife of an itinerant Merced, Calif., cotton picker, is shown on a hospital bed, recovering from self-mutilation inspired by a frenzied religious ceremony. Mrs. Harwell gouged out her eye and hacked off her left hand obeying the Bible text to cut off a hand and pluck out an eye if they offend.

Inquest Reviews Death At Tahoe

Sacramento Typist Whose Body Was Found In Lake Succumbed To Heart Weakness

A coroner's jury, summoned Wednesday night to inquire into the cause of the death of Miss Lillian Garfinkle, 24, found that she passed away as a result of a heart weakness.

The body had been forwarded on Wednesday by Memory Chapel to Chicago, for funeral services and interment.

Deceased was a Sacramento typist whose body was found floating in Lake Tahoe off Globin's resort last Saturday morning.

CAMINO TRAPSHOOTERS RETURN WEDNESDAY FROM TOURNAMENT

The Ernest Carstens, of Camino, father and son, arrived home Wednesday from Vandalia, Ohio, where last week they participated in the annual Grand American Handicap, national trapshooting tournament.

Enroute home they visited in Chicago and toured Yellowstone Park and report a great trip.

As to the trapshooting tournament, Ernest, Jr., reports his best score was on the last day of the shoot when he broke 150. Both shared, in a small way, in the distribution of prizes at the meet.

VOLCANOVILLE NATIVE TAKEN

Mrs. Emma C. Brown Summoned Wednesday; Funeral Services To Be Friday Afternoon

Funeral services for Mrs. Emma C. Brown, 72, who passed away on Wednesday afternoon at the home of her daughter, Mrs. George Van Vleck, on Coloma Street, will be held on Friday afternoon at 2 o'clock at Memory Chapel.

The last rites will be conducted by the officers of Leona Rebekah Lodge No. 30, of which Mrs. Brown had been a member for many years. The Rev. Rex Barron will officiate. Interment will be at Union cemetery beside the grave of her husband, Forrest Brown, who passed to the beyond in 1932.

Mrs. Brown's passing followed an illness of several months which she had borne with cheerful fortitude and during which she received the loving care of her devoted daughters, Mrs. Van Vleck and Mrs. Leona Fleming, whose home is at Fairoaks.

Deceased was born at Volcanoville on February 18, 1866 and spent her girlhood in this county, moving following her marriage to Placer County, where Mr. Brown was engaged in mining.

Within a few years the family returned to El Dorado County and Mrs. Brown had resided almost continuously since that time in the Placerville district.

LARGE COMPLIMENTARY VOTE FOR UNOPPOSED OFFICIALS

Although we have tabulated only the votes for the contested county offices in the Tuesday primary, it should be noted that the voters remembered incumbent officers who were without opposition with large complimentary votes.

Judge George H. Thompson, County Clerk Arthur J. Koletzke, Treasurer Della Patterson, District Attorney Henry S. Lyon and Coroner A. J. Orelli all received large votes throughout the county.

The several township officers who were unopposed were also given complimentary votes in their respective districts and it was reported that Justice of the Peace T. F. Lewis, in Placerville township, received a total of more than 1,100.

To all of these it must be pleasing to know that although they made no active campaign and had no opposition, the voters remembered them generously.

Sheriff George M. Smith left Thursday morning for San Quentin with two prisoners recently sentenced, who will be delivered to the warden there. The prisoners are Edmund Kreuger, sentenced for burglary, and Roy Wright, sentenced for forgery. Each is under a one to 14 year sentence.

FREE PEARS TO BE GIVEN AT FAIR

American Legion Post Will Distribute Bartletts To Advertise County Fair

A large delegation from El Dorado Post No. 119, American Legion will be in attendance at Legion Day, Sunday, September 3 at the State Fair at Sacramento, it was indicated Wednesday night at a regular meeting of the organization.

Plans are for the delegation to meet in front of the main administration building at the Fair grounds at 10:00 a. m. All members of both the Legion and their Auxiliary unit who can possibly get away should be on hand, Dr. Anderson, chairman of the committee in charge declared.

The main activity of the Post will be the distribution of more than 25,000 luscious ripe El Dorado County Bartlett pears to visitors at the Fair. These pears, wrapped with a specially printed wrapper boosting the pears and the County Fair, are now in the refrigeration plant of the Placerville Fruit Growers Association and will be taken to Sacramento early Sunday morning by Williard Wilkinson.

At noon Sunday, in the Merriam hall, newly opened building at the State Fair grounds, there will be an informal free luncheon, given by Sacramento Post No. 61, to which all veterans and Auxiliary members are invited. The purpose of the meeting is to create interest in getting the capital city declared the host convention city for 1939.

Mr. and Mrs. George Warren Shedd, of Vade, are the parents of a son, George Warren Shedd, Jr., born August 30, according to a certificate filed Thursday with the county recorder.

Weber Elected Legion Head

Installation Scheduled For First Meeting In October; Adjutant To Be Appointed

Arnold N. Weber, first vice-commander of El Dorado Post No. 119, American Legion, was elevated to the position of Commander in a unanimous vote at a meeting of the veterans' organization Wednesday night.

In a similar vote Malcolm E. Wright was elected first vice commander; Joseph Swartz, second vice commander; Justine Faugsted, third vice commander; and C. R. Nichols, finance officer.

A resolution was adopted in which the office of adjutant will be appointive by the commander-elect, rather, than by balloting as in the past. C. A. Barker is now temporarily filling this position and it was indicated that he would be selected by the new commander to continue.

Paul Smith, H. G. Morehouse and Dr. L. B. Rantz were selected to fill the three vacancies on the executive board.

The commander-elect automatically becomes a delegate to the state convention, which opens at Santa Monica for three days, beginning September 15. All other five delegates chosen at a previous meeting, indicated they will attend the annual conclave.

New officers of the Post are to be installed at the first meeting in October. Plans for the proper ceremonies and social function in connection with the affair will be announced later.

RESCUE ONLY CENTER TO SCHEDULE MEETING FOR SEPTEMBER

The calendar of events for the Farm Centers of the county for September shows that the Rescue center, with a meeting on September 9, will be the only one to hold a regular meeting during the month.

Summit center had planned to meet tonight (Thursday) but abandoned the meeting and will hold a social occasion and card party on September 10.

Other activities in the Farm Bureau organization for the month include the 4-H Club convention, under way at Davis Thursday, Friday and Saturday, and the regular meeting of the County 4-H Club Council on Wednesday, September 21st.

Henry Morris Grover, Jr., is home again in Placerville following a vacation visit at Uncle Tom's.

3 BEAVERS GO TO WORK FOR FOREST SERVICE NEAR ROUND LAKE

Three beavers are now "on the staff" of Eldorado National Forest and they are "working like beavers" on the Round Lake range.

The three are the survivors of two pair, which were received at Sacramento Monday by Forest Supervisor Edwin F. Smith and Ranger M. D. Morris from Medford, Oregon, and have been "planted" on the Round Lake range. The fourth beaver had been injured in shipment and died following arrival.

It is expected that the dams built by the beavers will result in restoring the Round Lake Range. Beavers have been put to such use elsewhere by the Forest and the experiment is said to have proven very successful.

The Round Lake district is said to be territory favorable to their propagation, and so the Forest Service will watch the three with interest and check regularly on the results of their dam building.

This will be one dam that doesn't call for a bond issue and a PWA grant.

Dr. and Mrs. Lloyd I. Brauer and son, Floyd, left Tuesday for their home at Los Angeles, following a months' visit with relatives at the Shepard ranch, at Fruit Ridge.

DOROTHY WATKINS BRIDE OF REGINALD DARR IN WEDDING SATURDAY

In a service performed Saturday at St. Patrick's church by Father Miles, Miss Dorothy Watkins, of Camino, became the bride of Reginald Darr, of Pino Grande.

The wedding service was followed by a reception and buffet luncheon at the home of Chief of Police and Mrs. James P. Morton, aunt and uncle of the bridegroom.

The couple will make their home at Pino Grande, where Mr. Darr is employed. We join their many other friends in all good wishes.

Schenley has purchased the Roma Winery near Manteca, San Joaquin County, and will convert it into a brandy distillery.

TROOP 57 HON[illegible] T TO SEE HIGH S[illegible] AWARD PRESEN[illegible]

The Troop 57 Boy Scout Court of Honor, to be held at the courthouse at 7:30 Friday evening, will be the occasion for the presentation of one of the highest awards in Scouting that has ever been given in this county. The badge will be a Silver Palm, and the honored Scout will be Loren Dahl.

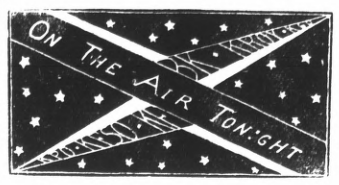

Badges will also be presented to two tenderfeet, two second class Scouts and eight first class Scouts. If we keep on at our present rate of advancement the National Council will have to create several awards higher than Eagle, or issue tin, brass and chromium palms to keep pace with Loren and the rest.

Dwight Martin Winner In Lake Valley

A brisk primary fight for Justice of the Peace in Lake Valley appears to have been won by Dwight Martin, with a total of 129 votes.

Martin was opposed by C. D. Tyler, who polled 111 and by A. W. Lampson who polled 11 votes. If the count of the absentee ballots adds materially to the total polled by Mr. Tyler, then the election may go to a run-off in November.

COMMITTEE MEETS FRIDAY ON "SOAP BOX DEDBY" FOR COUNTY BOYS

Action was taken Wednesday night, at a meeting of the "Soap Box Derby" committee, held at the American Legion hall, in the furtherance of plans to interest boys of El Dorado County between the ages of nine and fifteen inclusive, in the building of home-made gravity-powered racers in which these boys, piloting their own cars, will participate in elimination races between now and the County Fair with final racers being declared at that time.

The committee headed by Paul Smith and Lloyd Cannon with Paul Taylor, Duncan Bathurst, Mance Vaught and Arnold Webber, as representatives of the American Legion, which organization has been taking the lead in the promotion of the contest, have asked that the committee be enlarged to take in prominent men of the city and county, especially those most interested in boys' work.

Those who are being asked to serve through notices mailed Thursday are: Charles Doe, Diamond Springs; Swift Berry, Don Hook, Camino; C. S. Collins, Georgetown; George E. Faugsted, C. E. Barker, M. T. Kelly, L. B. Rantz and E. W. Zueger, Placerville.

Together with the notice of appointment to these additional members, notice is also given of a meeting of this committee to be held Friday night, September 2, 8 p. m. at the Veterans' Memorial hall at which complete plans will be mapped, it was said.

To date several boys have already started building their racers with others fast lining up.

Pastor, 75, Runs Century In 18.2 Seconds

ORADO, [illegible]—Alec D. Hancock of ELDORADO, Ill., (AP)—Alec D. Hancock of Eldorado, a Baptist minister, was celebrating his 75th birthday.

For two weeks he had been training "to run the 100-yard dash in 16 seconds flat."

Traffic on Eldorado's main street was halted as he rolled up his sleeves and trouser legs and discarded his shoes. He started, sprinted nicely the first 50 yards, then slowed, and finally labored across the finish line, his stockinged feet pounding the brick pavement.

"Sorry, Alec," said a spectator with a stop watch. "You made it in 18:2."

Two Veterans Survive In "1841 Club"

PASADENA, (AP)—The "1841 Club," formed here a number of years ago for veterans of the Civil War who were born in 1841, has just two 97-year-old members left.

They are John Hartung and W. W. Thomas. They have observed the club's custom this year of jointly celebrating each other's birthday and count on doing the same thing next year.

85-Year-Old Log Pipe Line Found

SCRANTON, Pa., (AP)—A water line of log "pipes" originally laid in 1853 has only recently been removed for a WPA improvement.

The line, formed of logs 10 to 12 feet long and bored for a 5-inch conduit, connected Mountain Lake ond No. 5 reservoir. It was placed 3 feet underground to prevent freezing in winter.

HARRY B. RILEY WINS ALL NOMINATIONS FOR CONTROLLER

Harry B. Riley, incumbent state controller, was elected at the primary election Tuesday.

Don Goodrich telephoned Mr. Riley Wednesday evening to report the splendid endorsement which his candidacy received in El Dorado County and Mr. Riley then informed him that on the basis of returns from all over the state, he had won the election at the primary.

This was gratifying to Mr. Goodrich, who had been one of Mr. Riley's most active supporters in this county, as it will be to Mr. Riley's many other friends.

Mr. and Mrs. Louis Ybright and sons, Allen and Dickie, of Shingle, were in the county seat on Friday.

Lester D. Barton came down from Lake Tahoe on Monday to spend a week at his home at White Rock.

"COWBOY FROM BROOKLYN" OPENS THURSDAY AT EMPIRE THEATER

Huge, spectacular sets are no novelty in Hollywood.

But it was a novelty when an elaborate set was built in duplicate for "Cowboy from Brooklyn, Warner Bros. hilarious new musical comedy which opens Thursday at the Empire Theatre. Film history contains no record of a similar occurrence.

The set in question was a colorful dude ranch. One set, the only complete working ranch in the industry, was constructed at the Warner Bros. ranch at Calabassas in the San Fernando Valley.

The exact duplicate of this set was constructed on one of the immense sound stages, each of which covers more than an acre, at the Warner Bros. studio. Here, in complete detail, were the ranch-house, the bunkhouses, corn crib, barbecue pit shaded by a largs oak tree, a corral and other features of the dude ranch.

Rev. and Mrs. Rex A. Barron of the Episcopal Church spent Monday and Tuesday in Alameda.

Two Hundred Million People *Can't Be Wrong!*

IT IS THE Man Who Runs Your Favorite Motion Picture Theatre Speaking: "Yes," he says, "I have heard almost everyone that patronizes my theatre on the subject of screen entertainment. Within the space of a couple of minutes I have heard the same picture enthusiastically applauded and severely criticized, the same stars praised and 'panned.'

"I have come to the conclusion that while the picture that will please everybody, everywhere, will probably never be made, motion pictures, by and large, hit a mighty high average of pleasure-giving. Take any individual picture — and you will find that most people who see it will get a lot of enjoyment out of it.

"Yes, sir, 200,000,000 people can't be wrong and there are at least that many the world over who go to the movies every week. Why? Well, motion pictures can give more happiness to more people at a lot less cost than most anything else the mind of man was ever responsible for. People can go for little money to a comfortable restful theatre—cool in summer and warm in winter—relax, put themselves at peace with the world, sit in quiet darkness and get out of their own lives into another world for two thrilling hours. 'An escape from reality,' psychologists call it, and a mighty pleasant thing too, in much more comfortable surroundings than most of us enjoy in our own homes. The 'movies' have come a long way since I have been in the business and so have motion picture theatres. Sometimes I wonder why there isn't more 'Oh-ing' and 'Ah-ing' at some of the remarkable things that I show on my screen but when I think it over, the answer is easy.

"Today people take the motion picture for granted —just as they take the telephone—and automobile.

"Motion pictures have ceased to be a novelty to be marveled at and have become an entertainment — the greatest the world has ever known."

★ ★ ★ ★

Next year, the "movies" will be fifty years old — fifty years since that October 6th in 1889 when Mr. Edison first revealed the miracle of pictures that moved.

And every week, in the United States and Canada alone, over eighty-eight million people go to the "movies" — sharing romance, excitement, dreams, love and laughter and a kinship with the far corners of the earth.

The motion picture producer is thoroughly conscious of his responsibility. He realizes the compact he holds with the hundreds of millions of people he must entertain — the obligation which is placed upon him by the unique way in which the motion picture has become a part of the daily life of the people . . . its influence on the thoughts and actions of millions. He knows that the motion picture cannot stand still, that it must move forward to greater and greater accomplishments.

The Man Who Runs Your Favorite Theatre will show you — in the list of the pictures which are coming this fall — proof, if proof be needed, that the motion picture *is* moving steadily forward.

To provide the finest array of productions ever released, the Motion Picture Industry has mobilized all its skill, all its imagination, all its resources.

Great stories, splendidly produced . . . love-filled romance, stirring drama, gay adventure, hilarious comedy, tuneful musicals — star-studded casts filled with your favorites and new faces, new talents, for which the world has been searched. One after another, week after week, these fine pictures are coming to the screen of your favorite theatre.

Entertainment, relaxation, freedom from care are yours in overflowing measure, brought to you by the supreme efforts of the Motion Picture Industry to make this fall season one you will never forget.
